Dear George

Enclosed are copies of drill records in the Ten  
O'Clock, Cliffwood, Movakan and Little Mary  
areas

The Movakan (Wallower area) seems to be drill-  
ing up fairly well So far we are checking holes  
already drilled You will note they report their  
assays in metallic lead and zinc I have converted  
this and noted in pencil the assays in blend

Very truly yours,

D'Arcy M Cashin
